Jeff Wright, Owner
Flying Houndz Frizbee Dog Show
Louisville, KY

Dear Jeff,

I want to thank you for the great job and professionalism that you showed at our recent event. The 2011 Lexington Lions Club Bluegrass Fair which was held at Masterson Station Park in Lexington, Ky. from July 14th through July 24th was a great success. In the past 15 years, the Lexington Lions has raised over 1.5 million dollars from the Bluegrass Fair that has been awarded to community organizations in support of community programs in the Lexington area. You were a big part of that success this year.

The "Flying Houndz Show" proved to be a great addition to our line up of attractions that were part of this year's Bluegrass Fair. Your presentation was produced well with excellent sound, professional staging with barriers that were more than just the bare metal stanchions surrounding the staging area. The show was full of high energy and offered our audience a different show throughout each day.

I was very impressed with the amount of dogs that you had to perform and how well they were treated. Even though the weather was not optimum at most times during the fair with temperatures nearing 100 degrees, you had provided an environment for them to stay cool until they were needed to "show off" their skills. Each show featured a different dog(s) and also gave the dogs their chance to interact with the crowd.....which seemed to be their reward for doing a good job.

You were able to keep the audience's attention during the 25+ minute shows that showed each of the dog's ability to catch a "Frisbee" while running to vault in the air to catch a "Frisbee" and then land safely. I also liked that you stressed that most of your dogs were "rescued" from shelters and asked people to consider "adopting" a dog from a shelter before looking elsewhere.

You were a big help for the event by doing all the outside "Press" and TV programs to help promote the "Bluegrass Fair". I'm sure that your star dog "Vegas" will always remember his meeting the new "2011 Miss Kentucky", Ann Blair Thornton, who had her picture taken with him and yourself. I'm sure he will always cherish that moment.

Sincerely,

A handwritten signature in black ink that reads "Michael Kaplan".
